Hueneme High School

FOREWORD

School spirit—that feeling of pride, of part-ownership, of gratitude that all students, past and present, have for Hueneme High—grows from the simple seeds of participation and sharing together the joys and trials of school life.

School spirit is expressed in many ways other than just cheering for the home team at the games. The spirit of learning is emphasized by our high scholastic standards; the spirit of leadership is portrayed by our student government and campus organization offices. The spirit of participation and good sportsmanship is shown by the willingness of our many athletes to work hard for the school's glory. The spirit of service is shown by the helpfulness of our students in organizations in the many worthwhile activities they undertake.

We who graduate this year will cherish the memories of our high school experiences and the knowledge that we helped to contribute to the fine reputation of our school.

Thus the theme of the 1964 yearbook is Viking Spirit. May it grow and continue to be a source of pride and ambition.

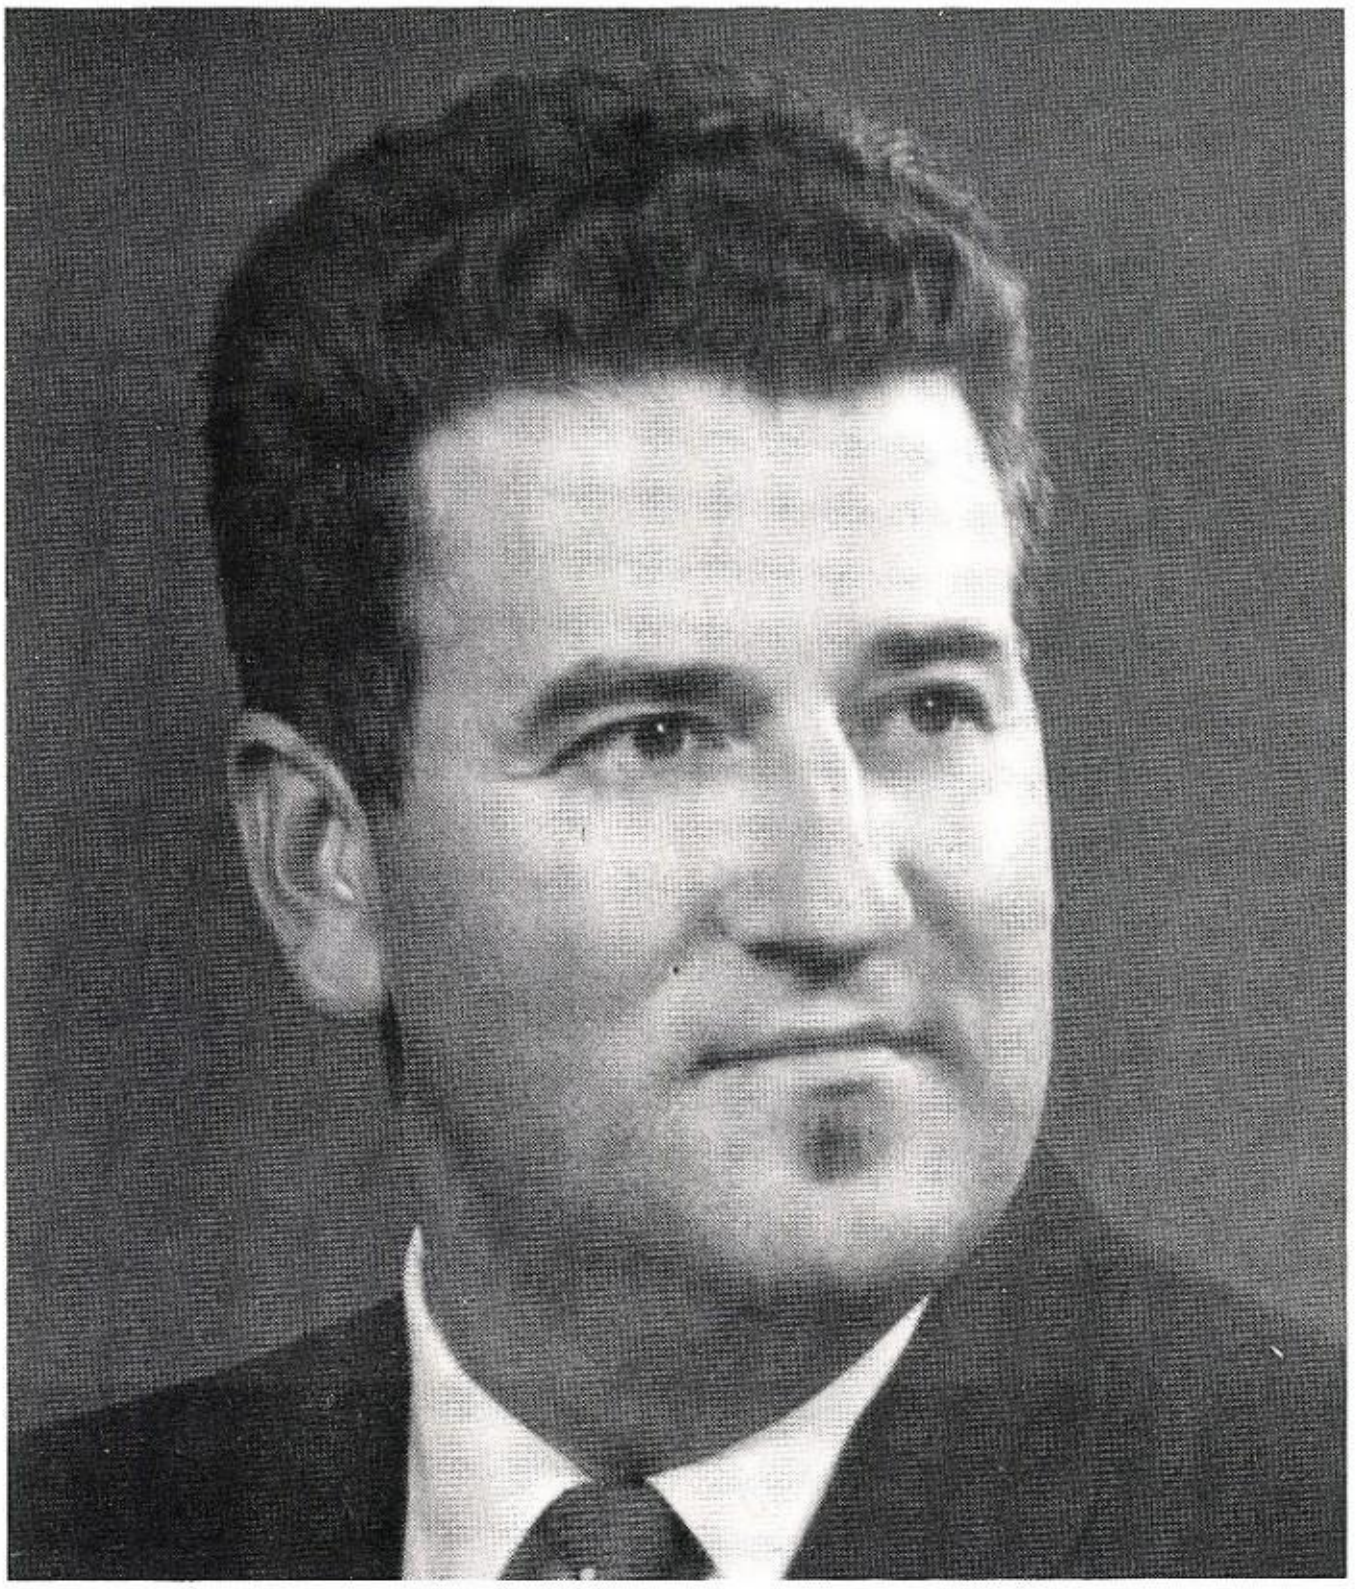
DEDICATION



Mr. Earl Jardine, Head of the Music Department

"Hueneme High School presents—the Viking Marching Band!" These words ring true and familiar in the ears of all Vikings. How often have we heard that rich voice boom out over the football field and felt that glow of pride and elevation?

The source of this pride is a man loved by all of us. His untiring work has given our high school and community good reason to stand and cheer—the wonderful Hueneme High School Band.

His efforts are not limited to this remarkable accomplishment. This man is not one to quit with the final bell or the closing of the classroom door. He contributes outstanding leadership, instruction, and entertainment at all times.

Who has not seen him turn cheerleader at a football rally?

Who doesn't remember the little goatee he sports, making him quite the dapper figure?

Who has not noticed the old baggy coat he has worn at football games—the sight is part of our tradition now.

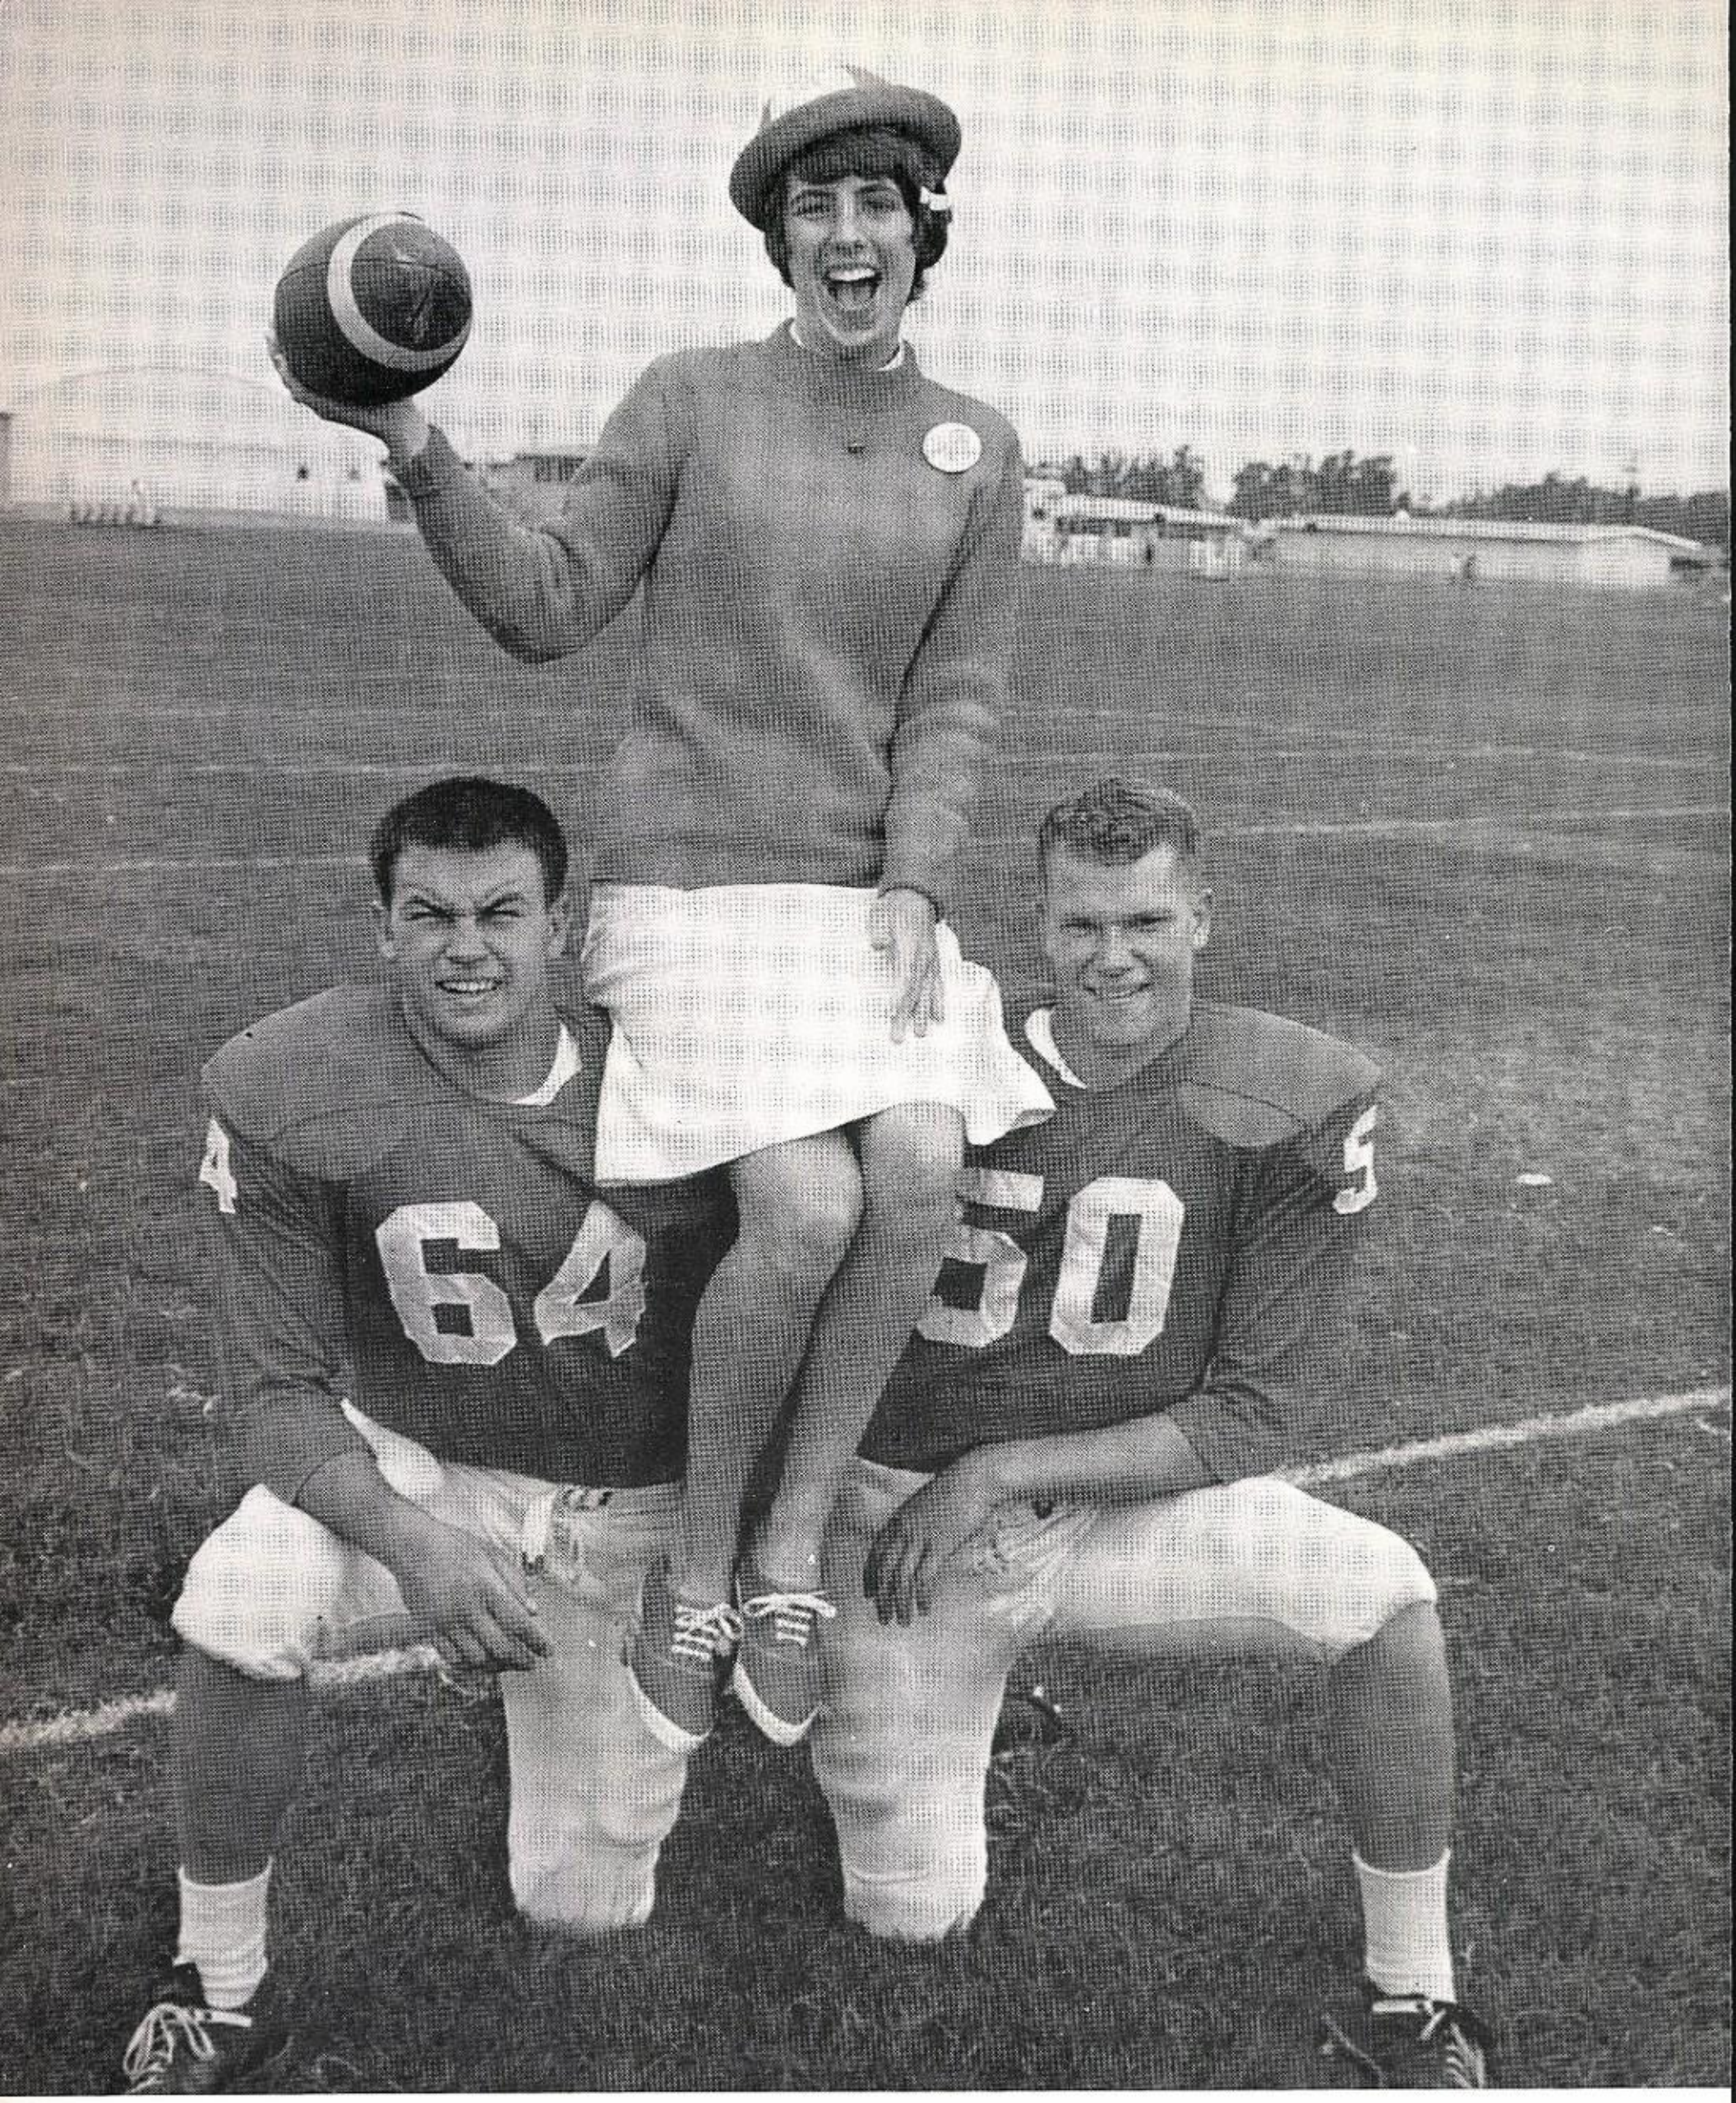
Who has not enjoyed the wonderful personable nature and humor of this man?

We could go on—because this is a unique individual, one who has provided all of us with the kind of happy memories we will always cherish.

We are proud to dedicate the 1964 VOYAGE to Mr. Earl Jardine, our teacher of the year. He personifies our yearbook theme, VIKING SPIRIT.

Sally-

Here to wish you the best of luck
in your future years to come although
I haven't known you very long I hope
in the years to come we can be
better aquainted. I look forward to seeing you
next year at Bous[illegible] Thanks a [illegible]
[illegible]



A fighting team raises school spirit. And what better way for any girl's spirit to be raised, than on the shoulders of two brawny Vikings.

Any stranger entering our gates is immediately impressed by the simple elegance of our campus. Though this same sight is a familiar one to all Vikings, we never fail to take pride and pleasure in our wonderful school.

On the following pages is a color photograph depicting the excitement of sitting in the grandstands, cheering for our team. Most Vikings have felt the tremendous emotion and suspense of a fast moving game. And few can forget the happiness and pride that comes with a victory.

Holly,
To a real
cool gal that
really has a
kitchen personality
this year. Hay as
cute, and sweet
as you are - good luck
and the
Love,
Esther

The theme of the Vikings this year has been "the biggest and the best." As this voyage of our largest graduating class draws to a close, it is felt that our goals have been reached. The real success will be measured by the personal accomplishments of each of you in the days and years to come.

The French translation of "Blessed are the meek, for they shall inherit the earth." which comes from the Greeks, uses in place of "meek" the word "teachable." Blessed are the teachable . . . . remain teachable, Vikings.

Have strong convictions but be open minded. Certainly, on the fundamental matters of life and those which involve our faith and conduct, we should all have strong convictions. On the many other matters in life, we should keep our minds open so that we might learn.

Learn to work hard. Learn to think clearly. Learn to observe for yourself.

As you observe the various facets of life, whether they be physical, organizational or ideological, be not satisfied to take them as they are. Accept it as one of the challenges of life to improve them.

SENIOR CLASS

OFFICERS, (left to right) David Hartman, Sergeant-at-arms; Sam Tokuyama, Vice-President; Bill Newsom, President; Eric Gustafson, Treasurer; David Palmer, Sergeant-at-arms; Kathy Talbot, Secretary.

When we were freshmen, Hueneme High was big, boundless, and practically brand new. And, though the vastness of our campus has increased; now four years later, its rooms and corridors are well-known to us.

The Class of '64 brought a new spirit to the campus of Hueneme High. As freshmen we immediately joined in the bustle and excitement of high-school life. Led by Sam Tokoyama, we sold beanies and had our own bermuda day. We always yelled the loudest at any event.

We elected Mel Ohmes to be class president in our Sophomore year. During that year, we gained the self-assurance of "upper-lower" classmen. Class activities increased as we added concessions, dress-up days, and sports-nites to our list of favorite events.

When we, as the Class of '64, entered our Junior year, we showed the spirit and unity that makes any class great. We were the class that did everything "all the way." We performed a dramatic first in Ventura County when we staged the Greek tragedy, *Antigone*. Elaine Sherlock, our president, initiated many activities. And at the end of the year, we planned and presented the most beautiful and successful Junior-Senior Prom in the history of Hueneme High.

Now, at the close of our Senior year, we have gathered the most unforgettable memories; cherished by all Seniors, past and present. With these memories of fun, knowledge, and friendships, we go out into the world—out to search for those ideals and goals we have dreamt about and planned for years.

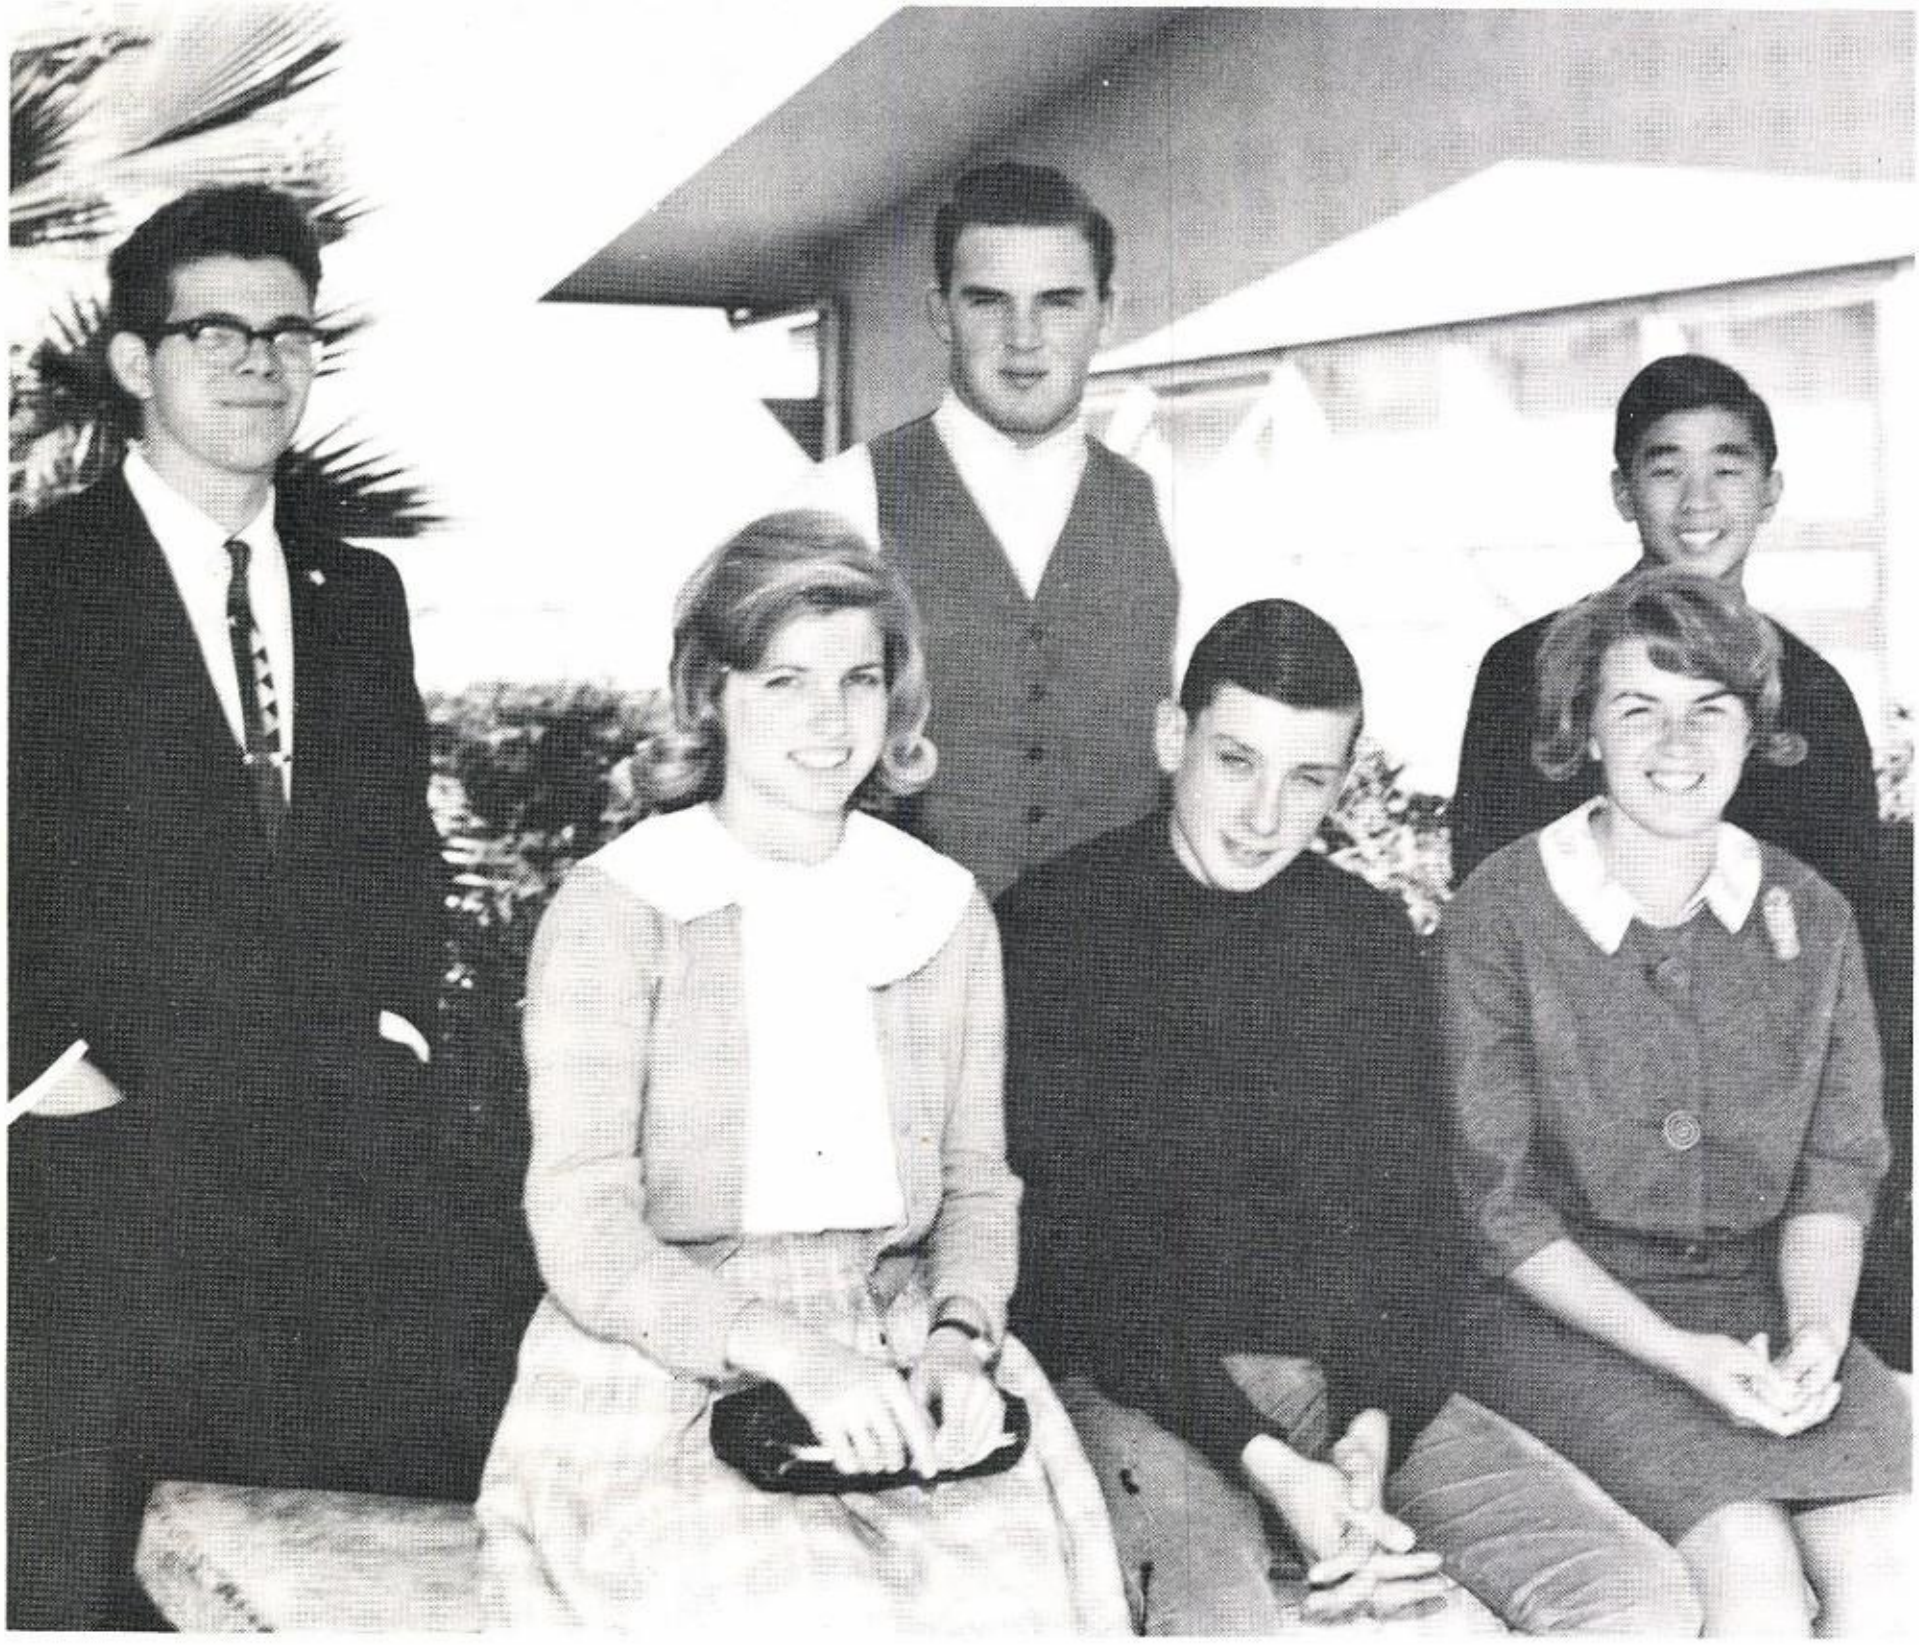
JUNIOR CLASS



JUNIOR CLASS OFFICERS: Left to Right Seated Susan Stubblefield, Secretary; Robert Woodruff, President; Linda Heller, Treasurer; Varre Cummings, Sgt.-at-Arms; Jim Cummings, Sgt.-at-Arms; and Reid Takahaski, Vice-President.

The main goal of the Junior Class was to raise funds for the highlight of the year—the Junior-Senior Prom. This was accomplished through numerous bake sales, athletic concessions, etc.

Many juniors devoted a great deal of time to the production of the Junior Class Play, *Our Town*, both as members of the cast and the stage crew.

IN MEMORIAM

JAY BECKETT

JOHN HECKMAN

"The Rainbow comes and goes,
And Lovely is the Rose;
The Moon doth with delight
Look around her when the heavens are bare;
Are beautiful and fair;
The sunshine is a glorious birth;
But yet I know, where'er I go,
That there hath passed away a glory from the earth."

Wordsworth

The Viking Band, which is led by drum majors Bob Casey and David Kuhns, is complemented by our banner bearers, baton twirlers, flag twirlers, and drill team.

Our band performed at all of our football games, special assemblies, Friday morning flag raising ceremonies, and graduation exercises. We all felt greatly honored when they were invited to perform at the Indianapolis 500-Mile Memorial Day Race.

Our band is a source of pride and enjoyment for our entire community. Their accomplishments have brought them respect and admiration. They display showmanship and musical teamwork and have become, in our opinion, the ideal high school band.

A.F.S.

Dear Hueneme High Vikings,

A wonderful year has gone—a year rich in joys and experiences which possibly will never be equaled in my entire life. The time has flown as always happens when you enjoy something.

There are more similarities than differences between the United States and Spain. The people of this community have understood me as well as I have understood them. I have met here many wonderful people and have learned to understand their ideas. My American family has shared its home, its daily living, and its ideas with me; I feel like one of the family.

Being a Viking, attending and cheering at the games, being in the Viking Band, dressing in red and white are some of the things that I will never forget. There are many strong friendship ties between many Vikings and myself. These friendships are deep in my heart and will never be erased.

It is too hard for me to say "Good-bye," so *"Hasta la vista, amigos."*

Shown at the right are David and his American family—The Cummins.

The 1963 football season showed everyone what rough fighters we Vikings are. Though a gridiron championship was not achieved, our team's reputation for playing a good game was realized by all.

This year the Varsity team scored overwhelming victories over Fillmore and St. John Vianney. Probably the most exciting game was that against Oxnard, our cross-town rival. It was a close game with the score resulting in a tie. Every Viking in the stands felt unbounded pride and admiration for their hard-hitting team out on the field.

Our football team renewed the traditions of fight and victory as set forth by the Vikings of old. We are proud and honored to call them Hueneme Vikings.

Coach Clark and Coach Siville.

This year our wrestling team settled for nothing less than victory. Each match was full of excitement and suspense. Our team showed a fighting spirit that was unequaled by any opponent. Through this spirit they won second place in the Channel League.

Wrestling is fast becoming one of the most popular sports on campus. The team members display the type of winning spirit of which every Viking is proud.

Basketball was really the word this year. Once again the mighty Vikings renewed their reputation for right and spirit. Led by a hard-hitting coach, Mr. Cherry, the team scored one of the best records in the history of Hueneme High.

How can we ever forget the breathtaking excitement of the Oxnard Tournament? We will not soon forget those Oxnard games either.

Spirit, determination, and teamwork was the philosophy of our basketball team; hard work and long practice was the philosophy of their coach. Together they made a real fighting team.
